

PAPÁ CANALLA

Papá Canalla

Papá Canalla is a rumba and pop band formed by six musicians, offering a festive and approachable live show designed to get audiences of all ages dancing.

With a powerful rhythmic base, a dynamic horn section and a highly engaging frontman, the band delivers energetic, interactive concerts with a strong connection to the audience.

Papá Canalla's live performance works especially well in festive settings, town festivals and concert venues with mixed audiences, thanks to a varied repertoire and a stage performance built around participation and collective enjoyment.

The live show can last up to 120 minutes.
